Listen to this story: True Ofuro Nano bathtub by Aquatica

Dezeen Showroom: True Ofuro Nano **bathtub** by plumbing brand **Aquatica** is informed by Japanese design and offers spa-style luxury in a compact package.

Designed by the brand's founder Joseph Burnstein, the **True Ofuro Nano** is a slimmer version of Aquatica's True Ofuro soaking tub and is described as "the ultimate micro tub for small spaces".

It includes an ergonomic built-in seat

To create more of a home spa experience, the True Ofuro Nano can be customised with therapy systems such as chromotherapy LED lights, hydromassage jets, advanced water heating systems and ozone disinfection.

There is also the option to include a water heater and digital control panel, which help to maintain the desired temperature and reduce water consumption.

Product: True Ofuro Nano

Designer: Joseph Burnstein
