Aquatica True Ofuro Duo Wooden Freestanding Japanese Soaking Bathtub

[Aquatica Inc., C&C Furnishings Inc.](#)

Inspired by ancient Japanese bathing traditions, the True Ofuro soaking bathtub emanates pure relaxation and rejuvenation.

This unique, modern take on the traditional Japanese-style bathtub is made for seated soaking of two bathers. The design incorporates two built-in seats and the depth of the tub has been extended to 27.75" (70.5 cm) to ensure full body immersion for even 6ft (180 cm) plus bathers.

The True Ofuro Duo Japanese style bathtub features an ergonomic built-headrest for the most comfortable bathing experience.

Integrated slot overflow brings sleek minimalistic design appeal, increased water depth, improved ergonomics, simpler and lower cost maintenance.

This model known as the American Walnut Ofuro bathtub features the beautiful deep styling, seamless, sensuous dovetailed curves and warm, honeyed tones of 3.75" (97 mm) thick Walnut wood.

Sustainability
