Entry Description

An 80's-era Master Bathroom is opened up to create a welcoming oasis. Featured are bespoke Sinker Cypress vanity, linen cabinet, a 48" wide barn-style door with header and column. An ofuro-style tub sits, backed by new, floor-to-ceiling glazing, in a stream of black polished river stones which extend under the floating vanity. Full slab, sumi-e-inspired quartz lines the shower. Large field, textured Italian porcelain tile runs offset from West to East and up the wall behind the vanity. Hand-drawn line as template for tile cut. 'When I walk into my bathroom I feel like a queen.' - Mary Chandler
