## 12 Gorgeous Bathtubs That Let You Soak in Style

Stand-alone bathtubs are islands unto themselves – focal points beckoning us to bask in a soothing soak. Of course, we'll always be shower supporters; they're practical and functional, but they're something we rush through on busy days. Bathtubs, on the other hand, are for relaxation and renewal, providing a calm interlude during hectic times. Here's a look at some stunning tubs that can add elegance to your bathroom and luxury to your bath time.

### SOOTHING SIMPLICITY

Life is complicated. Make bath time simple with this elegant, understated tub. | Kohler Ceric™ bathtub

### COMPELLING CONTOURS

### HIGH-TECH HIGHLIGHTS

This softly triangular tub features an air massage system with heated bubbles from over 20 underwater jets. It's also available with underwater chromotherapy LED lighting in various colors to soothe the body or enhance energy levels. | Aquatica Trinity-G-Whit Relax Air Massage Bathtub

For more beautiful bathtubs and the rooms they occupy, see *Design NJ's* August/September Bathroom Issue on newsstands now!
