

# 20 Ideas For Opulent Bathrooms

Our coffee-break escape offers you five minutes' worth of images to inspire and delight. Jump right in...

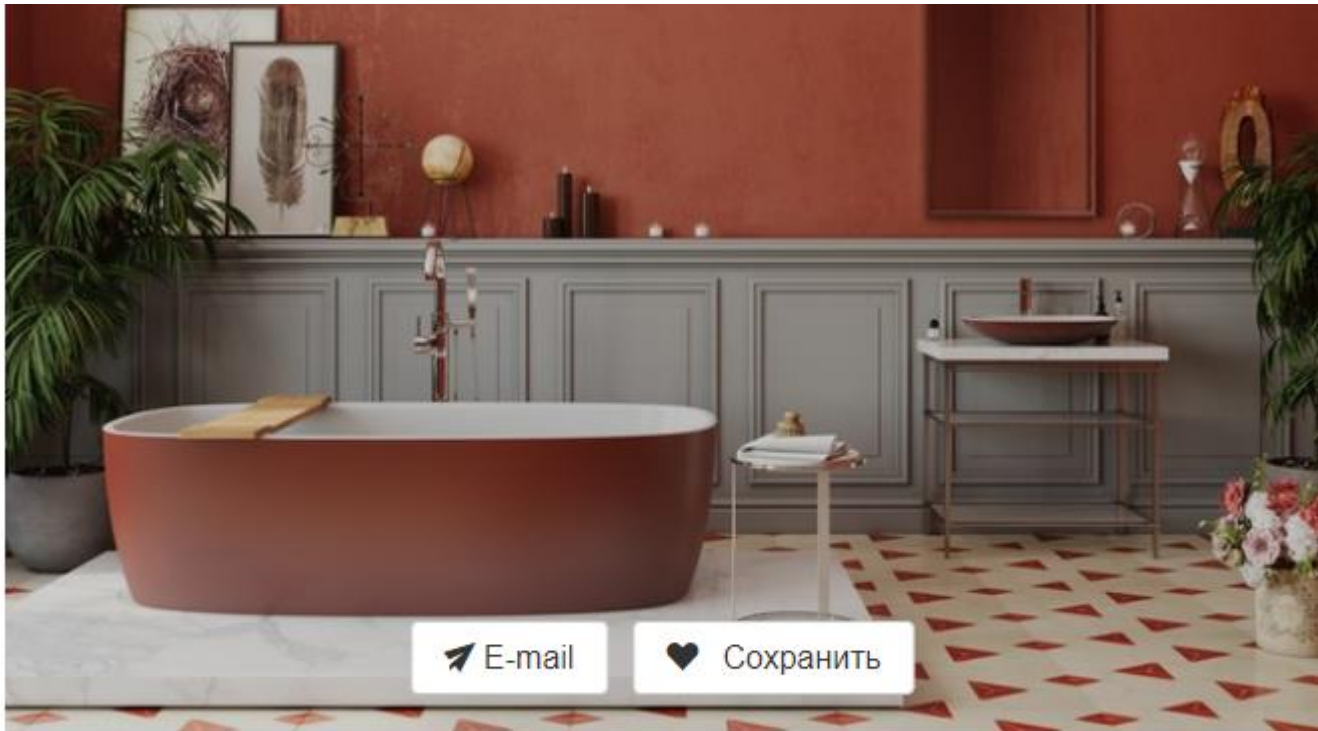

**Vanessa Walker**

Houzz Australia & New Zealand Editor.

Some of us want streamlined, simple spaces, others want beautiful detail and a room full of luxe expressions. Here are 20 ways that designers across the globe have made spaces special, using all manner of materials, from marble to mirrors, curtains to wallpaper, tiles to tapware. Enjoy.

*And remember, you can get more details of a project and see more of a professional's work, including their contact details, by clicking on an image.*
