Talk about Thursday décor inspo! We love these nontraditional takes on an otherwise conventional item: the bathroom sink.

From [Crosswater London](#) and [Aquatica Bath](#) come two very inventive spins on the old washbasin. First, Crosswater's charming Arcade Bicycle Basin is a truly one-of-a-kind statement piece for the bathroom. With a vintage Pashley bicycle and rich walnut shelf, this sink, in white fireclay, exudes nostalgia and pays tribute to the English countryside.

Second, [Aquatica's MyBag Furniture Composition](#) is a trendy, charismatic approach to sink design, boasting a basin suitcase that completely closes. It comes in four contemporary standout colours (ice, green, turquoise and yellow) and makes a truly retro fashion statement.

Best, they're both available in Canada! —*Noa Nichol*
